About Sunket

Sunket New Energy was established in 2012. We specialize in solar panels, BIPV, lithium batteries, inverters and solar systems design, production and sales. Through the introduction of the world's advanced automatic production and testing equipment, the annual production capacity of solar panels has reached 5GW, and the yearly total of energy storage batteries has gone 1GWh.

- CEC / Salt Mist Resistance / Ammonia Resistance / Fire Class A
  TUV / CE / UL / MCS / CSA / MCS / JP-AC
- More Than 30 National Invention Patents
- Won Many Awards At Home And Abroad

Battery+Inverter

- Low Voltage Battery
- High Voltage Battery
- High Voltage Inverter

02 Main Products

02 Main Products

LFP5-10kWh Lithium Battery

- Reliable lithium iron phosphate battery
- Flexible expansion, up to 160 kWh (16 parallel)
- IP65 level triple protection
- >15 years service life
- Intelligent BMS system optimizes performance

LFP 5-10 kWh Low Voltage Battery

02 Main Products

LFP5000 Lithium Battery

- Reliable lithium iron phosphate battery
- Flexible expansion, up to 80 kWh (16 parallel)
- The price is relatively low, cost-effective
- >15 years service life
- Intelligent BMS system optimizes performance

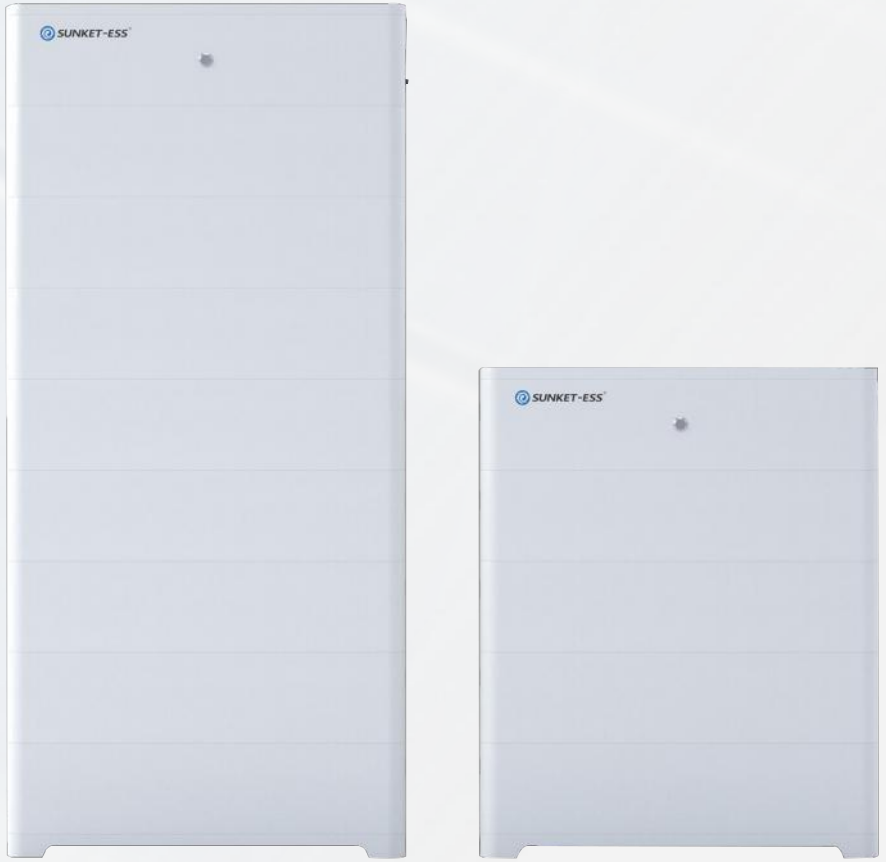

LFP 5000 Low Voltage Battery

02 Main Products

LFP6-30kWh
High Voltage Battery

- Reliable lithium iron phosphate battery
- WIFI module, real-time monitoring of battery status
- Complete product certification
- >15 years service life
- Intelligent BMS system optimizes performance

LFP 6-30kWh High Voltage Battery
